Special Instructions/Lens Extras

Please Note - Only fully completed order forms will be accepted for processing.

MLOC Telephone: 01377 257752

Email: sales@ml-oc.co.uk

Please allow 14 to 30 days for delivery. When working out the cost price, please ensure you add together the glazing price and the frame price on the price list together with any additions. All prices exclude postage and VAT.

Only frames and dive masks will be accepted back if returned in a saleable condition within 14 days or original despatch, with original packaging and all accessories and are accompanied by a copy of the original invoice or by the original invoice number. However **NO** credit can be given on glazing work, we therefore recommend the patient tries on frames for fit prior to glazing. Please ensure returned
